DESCRIPTION

ALL NATURAL. GLUTEN FREE. LACTOSE FREE. NO NITRATES OR NITRITES ADDED.

The 100% Iberico breed has the unique ability to store healthy fat, creating a marbling effect that makes it flavorful but delicate at the same time. This 100% Iberico ham has an incomparable texture and flavor. This genetic trait, combined with their free range life and their diet based of grain, grass, roots and everything nature provides, gives each product an exceptional quality. We are one of the few producing this superb style.

Cured for at least 34 months using artisanal methods in La Alberca, Spain, a Natural Reserve declared a World Heritage.
